

The Room You're Not In — Networking Script

Some people walk into a room and the room adjusts. Today you write the script nobody handed you.

1 • PICK THE ROOM

The one room (set, salon, association, artist's team) that would change your next twelve months:

2 • BUILD THE SCRIPT

Who you are: one sentence, craft-first.

The specific work you want to be known for:

The ask — small, concrete, easy to grant:

3 • SEND IT

- ☐ Say the script out loud until it stops sounding like a script.
- ☐ Send one message today to someone in that room.
- ☐ Log the reply (or silence) — both are data, neither is a verdict.
