

The Almost-CEO — Instinct to System Map

You already lead. This page turns instinct into a repeatable map you can scale without losing the craft.

1 · CODIFY YOUR STANDARDS

List four things you always do that make your work yours — the things an assistant would have to learn to represent you.

2 · WHAT ONLY YOU CAN DO

TASK ON YOUR PLATE	ONLY-ME? (Y/N)	IF NO — WHO / WHAT TAKES IT

3 · THE 90-DAY CEO BLOCK

One recurring hour per week that is CEO time — pricing, pipeline, positioning. Which hour, and what is the first agenda?

4 • THE NEXT ROOM

- ☐ Name the leadership room you belong in next (education, on-set lead, studio owner, brand work).
- ☐ Identify the one person already there whose path you can study — and reach out this week.
- ☐ Write the 3-sentence version of your vision and read it before every CEO block.
- ☐ Date your first delegated task — this month, not “someday.”
