

The Invisible Talent — Visibility Plan

The work is excellent and the room doesn't know it. Visibility is the client experience starting before the chair.

1 • WHERE DOES YOUR WORK CURRENTLY GET SEEN?

SURFACE	LAST UPDATED	SHOWS YOUR BEST WORK? (Y/N)
Portfolio / website		
Instagram / TikTok grid		
Google / booking profile		
Word of mouth (what do clients say?)		

2 • PROOF INVENTORY

List five finished looks from the last 90 days that deserve to be seen, and where each one will be posted this week.

3 • THREE ROOMS YOU'RE NOT IN

Name three rooms — a set, an assisting gig, an association, a stylist's DMs — where the people who book work like yours actually are. One concrete step into each:

4 • THE INTRODUCTION SCRIPT

Complete it, then send it to one person today: “I’m _____, I do _____ — the piece of my work I’d love to show you is _____.”
